

2019 Lemonade Stand

Why It Matters

- Coburn Place recognizes the importance of providing comprehensive services to children who have witnessed and experienced violence in the home.
- One hundred percent (100%) of children receiving services have experienced or have been exposed to intimate partner violence and are at higher risk for psychological, behavioral, and physical health problems.
- Coburn Place provides Children's Services on an ongoing basis throughout the year after school and is offered from 8 am - 8 pm during school breaks with a focus on three impact pillars that include: 1) Safety; 2) Social, Emotional, and Physical Well-Being; and 3) Self-Sufficiency.

Benefits

- Enable more than 300 children annually to access support services and safe housing
- Help provide weekly support groups and life skills workshops to children ages 0-24
- All funds raised specifically from the Lemonade Stand are utilized for the Children's Services program
- Recognized on our website
- Promoted to more than 4,000 social media supporters
