

VOLUNTEERING AT HOME

FLEECE TIE BLANKETS

Give a little piece of comfort and safety to survivors this fall and winter by donating a handmade fleece tie blanket!

WHAT YOU NEED:

- Scissors
- Ruler
- 2 - 2.5-yard pieces of fabric

1

MEASURE

Put the two large pieces of fleece and lay them on top of each other like a sandwich.

2

CUT

Make vertical 1-inch cuts through both pieces of fabric, all around the edges so that it makes many tassels on the outside

3

TIE

Tie the tassels of the top fleece to the bottom fleece right below it in a double knot all around the blanket. Finished!

4

SCHEDULE A DROP-OFF

Email drew@coburnplace.org to set up a no-contact donation drop off. Thank you for making a difference!
